## What did I do with my STEP funds?

- Lived in Washington DC during spring semester of 2018
- Worked Monday through Thursday at an internship
- Toured historic locations like the Pentagon every Friday
- Took courses in the John Glenn College of Public Affairs
- Networked with politicians and public servants

## How was this program transformative?

- I applied the information I learned as an undergraduate
- I grew as an individual
- I learned what being a young professional is really like
- I finalized my plans for post-graduation
- I created lifelong friendships with other OSU students
